AI CONSULTING AND DIGITAL SOLUTIONS · DANIEL SOLANO

Your business answers, sells and looks better, with artificial intelligence working for you.

We help small businesses respond faster, win more customers and strengthen their online presence. Pick one service or combine them in a bundle: every module works on its own and they all fit together.

Modular services

Buy separately or as a bundle

01

LIVE

AI voice agent

A virtual receptionist that picks up when you can't.

- Answers calls and common questions
- Captures the caller's details
- Books appointments (300 min/month)

starting at **$900** + $299/mo

02

AI chat agent

Instant answers on your website and on WhatsApp, at any hour.

- Answers questions and hours
- Qualifies leads and hands them to your team
- Takes orders or bookings

starting at **$750** + $199/mo

03

AI social media and content

A steady presence on Instagram, Facebook and TikTok without loading your team.

- Monthly calendar and posts
- Images, captions and short videos
- Results report

starting at **$250** + $795/mo

04

Full stack web development

Websites, online stores and custom systems.

- Business and sales sites
- Online stores and payments
- Portals and automations

starting at **$2,500** + $99/mo

05

Branding and brand identity

A professional, consistent image at every point of contact.

- Logo, colors and typography
- Brand guide
- Social templates and stationery

starting at **$1,200** one-time

BUNDLES · STARTING PRICES

Combine modules and save

Starter -10% Web + chat	**$2,925** + $270/mo

Full-stack -20% All 5 services	**$4,480** + $1,115/mo

Prices in USD for small businesses of about 3 to 50 employees. Starting prices; final quote depends on scope.

LIVE

AI voice agent: already answering calls

It works today for Gainesville Backyards through FenceAI, the quoting software we built for fence contractors in the U.S.: it answers the calls the team can't get to.

- → Answers and takes the customer's details
- → Books appointments and alerts your team
- → Set up with your business details and tone
- → We test it on your line before switching it on

LOW-RISK PILOT

30-Day Chat Pilot

$149 one-time

Try the **AI chat agent** on your website or WhatsApp: FAQs, lead capture and handoff to a person on your team; up to 300 conversations and a weekly report. Live within 7 days. The $149 is credited toward setup if you sign up within 14 days after the pilot.

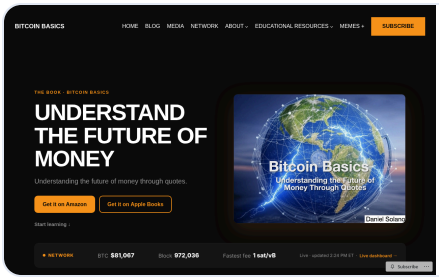

Starting prices; final quote depends on scope.

PORTFOLIO

Real projects, online today

Work built by Daniel Solano. All links are public: visit them and see for yourself.

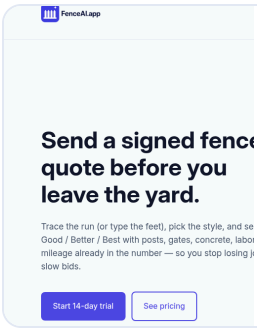

Bitcoin Basics: book, website, channel and newsletter

A book by Daniel Solano available on Amazon and Apple Books, backed by a full digital ecosystem: a website with a blog and glossary, a YouTube channel with explainer and news videos produced daily with AI help, and an email newsletter.

AI content · Social media · Web development · Brand

bitcoinbasicsbook.com · youtube.com/@bitcoinbasics-book

FenceAI

Quoting software for fence contractors, with lead capture and an AI voice agent that answers calls, live for Gainesville Backyards, its first client.

Full stack web development · AI voice agent: live

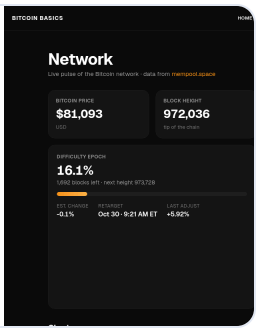

fenceai.app

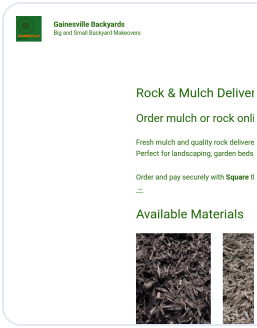

Bitcoin Basics Network

A live Bitcoin network dashboard: price, block height, hashrate, mempool, difficulty and recommended fees.

Full stack web development · Real-time data

bitcoin-basics-network.vercel.app

Gainesville Backyards

A yard services site with an online store for bulk rock and mulch and local delivery (WooCommerce, Square payments).

Web development · Online store · AI voice agent

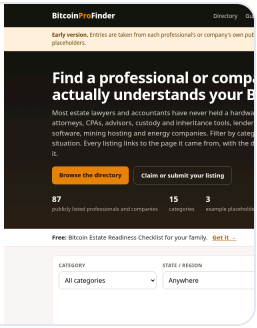

gainesvillebackyards.com

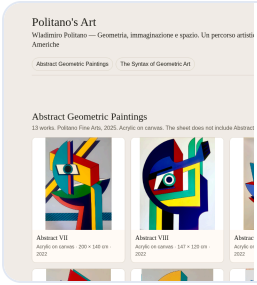

BitcoinProFinder

A directory of professionals and companies in the Bitcoin ecosystem (lawyers, accountants, advisors, custody) with filters by category and state. Initial version.

Full stack web development · Content

bitcoinprofinder.com

Politano's Art

An online gallery of artist Wladimiro Politano's work, with a catalog by series and a bilingual version.

Web development · Design

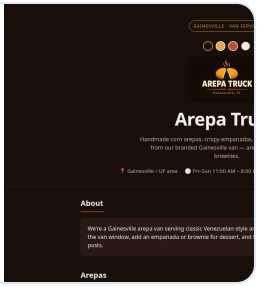

vectordesigngroup.github.io/politano-art

Arepa Truck

Brand identity and a website for an arepa food truck in Gainesville: logo, palette, menu and hours.

Branding · Web development

vectordesigngroup.github.io/arepa-truck-gnv

1 Free diagnostic

15 minutes to find where you are losing customers or time.

2 Measured pilot

One module, with real data, before any bigger commitment.

3 Scale at your pace

We expand what works and add modules only if they make sense for you.

Let's talk about your business

Request your free diagnostic or your low-risk pilot. We reply within one business day, in English or Spanish.
